Planning Guide

To assist with your planning, QYC provides the following options for your consideration.

Ensembles

The Queensland Youth Choir can provide any size vocal ensemble to meet your wedding needs.

Some options include:

- Octet
- Small ensemble (16 to 20)
- Choir (25 to 40)

In addition, you can choose to have a children's ensemble (members of StellaVoce) or an ensemble of young adults (members of Vivace Voices and/or VoiceWorks).

Accompaniment

QYC offers the following accompaniment options:

- *a cappella* – choral music with no instrumental accompaniment
- with piano – QYC has a number of professional pianists available
- with organ – QYC can provide an organist or will work with the official wedding/church organist
- with other instruments – QYC can work with other instrumentalists and will provide advice on securing the services of professional instrumentalists if required.

Fee Guidelines

The fee charged depends on the size of the ensemble selected and the amount of music performed at the wedding. Instrumentalists (other than QYC's own accompanist) have their own rates in addition to the charge for the ensemble. Selections that are outside of the standard repertoire or that require special musical arrangements will incur an extra fee.

Prices generally range from approximately \$300 for an octet to \$1000 for a large ensemble.
